Elo® Tables & Stools

Featuring a durable top on a fully-welded, powder-coated base with contemporary styling, Elo® Tables are virtually maintenance free with no screws to re-tighten.

The stools? Just as good. WB Manufacturing stools are durable and made to withstand rigorous **STEM** classrooms and labs for years to come.

Multimedia Team Tables

Enhance group learning or embrace long-distance learning with a Multimedia Team Table.

Group work is easier than ever with integrated technology connectivity and a large 84" workspace.

MMTT1000D with optional monitor mount and DropShare (monitor not included).

Collaborative Workstation Urban Edge

CLW7252-AC

WB Manufacturing offers smartly designed collaborative workstations which enable students the ability to work together on problem solving and project-based activities.

Lobo & Toro Tables

Our all-purpose, heavy-duty Lobo table is durable and versatile – perfect for the STEM classroom, industrial arts classroom, science classroom and so much more.

What's even better? We are certain we have a table top option to best suit your classroom activity and provide your students with the best build-it workspace.

5-Legged Stools

Withstand rigorous science projects and specialty classroom use for years.

WB Manufacturing's 5-Legged Stools offer increased stability and help to prevent students from leaning back on two legs – providing a safer classroom environment and more focused attention on the topic at hand.

REplay® Cabinet Interlocking Wall System

WB Manufacturing's fully, stand alone, repositionable cabinets can now be installed as a permanent fixture all with the turn of a knob.

Tote Storage Units

Classroom materials are nicely stored away during downtime in WB Manufacturing 20-, 30- or 48-Tote Storage Units.

With a simple maneuver, trays are easily removed from the unit and transported to the work area. Hands-on learning just became more accessible and organized.
